WELCOME

CONNECTING WOMEN TO WOMEN

Dear Friends of the Association of Staff and Faculty Women -
(formerly known as the Association of Faculty and Profession Women)

On behalf of the Executive Board of the Association of Staff and Faculty Women (ASFW), I would like to welcome you to our website and introduce you to our new name and logo! The ASFW board has been working diligently to create a name and logo that better describes our organization and we think we have achieved it. We hope you like it!

ASFW is a dynamic organization committed to supporting the professional development of all staff and faculty women at The Ohio State University. We work to achieve our mission by offering monthly lunchtime programs and an annual spring conference featuring speakers and topics relevant to women at Ohio State. In addition, our programs provide opportunities for women across campus to connect, and we invite all OSU staff and faculty women to join us.

This year, we will also be developing opportunities for ASFW members to volunteer with the organization in the areas of public relations, membership and programming. Members interested in professional development, volunteerism and connecting with women around campus are encouraged to participate on a committee. No previous experience is required! If you are interested in serving on one of these committees, please contact the appropriate board member.

Please return to our site regularly to learn more about our upcoming programs.

If I can ever be of assistance to you or if you want to offer any ideas or suggestions about ASFW, please do not hesitate to contact me at 247.8037 or tyler-lee.1@osu.edu. I look forward to serving you.

Sincerely,

Dawn Tyler Lee
President
