Greetings!

On behalf of the Executive Board of the Association of Staff and Faculty Women (ASFw), I would like to welcome you to our organization.

ASFw is a dynamic organization committed to supporting our mission which is the professional development of all staff and faculty women at The Ohio State University. We work to achieve our mission by offering quarterly event programming and an annual spring conference featuring speakers and topics relevant to women at Ohio State. In addition we plan to offer informal connection events which will take place throughout the year. Our programs provide opportunities for women across campus to connect and learn and we invite all OSU staff and faculty women to join us.

Our members also enjoy the benefit of reciprocal membership discounts to other local events sponsored by women's organizations such as [WELD](#) and [NAWBO](#).

Members interested in professional development, volunteerism and connecting with women around campus are encouraged to participate on a committee. No previous experience is required! If you are interested in serving on one of the committees, please contact the appropriate board member (see left for contact information.)

Please visit our site at <http://asfw.osu.edu> regularly to learn more about our upcoming events.

If I can be of any assistance to you or if you want to offer any ideas or suggestions about ASFw, please do not hesitate to contact me at 292-1178 or steffan.10@fisher.osu.edu. I look forward to serving you.

Sincerely,
Joyce Steffan, President
